

FULL CIRCLE

APRIL 2024 - ISSUE 3

Pictured here with Congressional Representative Pat Ryan at the Senior Resource Fair earlier this month, are CFD board member Caren Martineau and Co-Founders Laurie Schwartz and Barbara Sarah. CFD was represented at the Fair among 33 other organizations, government agencies and institutions catering to seniors.

Circle Home finds itself hosting more community events, not just the monthly Life Matters gatherings. CFD has been asked to co-sponsor an increasing number of local events related to death and dying. See below for a variety of projects happening in the next couple of months.

**Tuesday, May 14, 3-4:30pm
at Circle Home,
100 Wurts Street, Kingston**

An interactive discussion with Nigel Lester, MD, about the delirium and confusion that can occur at the end of life. Delirium is common towards the end of life and is a phenomenon

that can have different causes. Dr. Lester is Director of Mental Health and psychiatrist at PALM Health in St Louis, MO, and is part of the team that created Origin Wellness, a unique wellness facility in Kingston, NY.

There is no fee to attend, but registration is required. For more information, [click here](#). To register [click here](#).
